

OILFIELD CONSTRUCTION & MAINTENANCE

Corporate Resume

August 11, 2008

EnCana Oil & Gas

- Brackish Water Well Tie-ins –Foster Creek
 - Structural & Mechanical Fabrication and Installation
- H2S Sweetening Skid Installation – Foster Creek
 - Structural & Mechanical Fabrication and Installation
- H2S Scrubber Installation – Foster Creek
 - Structural & Mechanical Fabrication and Installation
- Condensate Line and Tank Addition - Foster Creek
 - Structural & Mechanical Fabrication and Installation
- Various rack piping fabrication - BWL Shop/Foster Creek
 - Spool Fabrication
- Various Modules, stairs, ladders, walkway, piperack fabrication
BWL Shop/Foster Creek
 - Structural steel fabrication
- SRU Installation Foster Creek
 - Mechanical Fabrication and Installation
- Pile Caps & Supports
 - Install pile caps & supports to Pads E15, E16, E19 & E20
- Pad Construction
 - Spool Fabrication and installation
 - Structural steel fabrications and installation
- Phase D&E Expansion – Foster Creek
 - Spool field fabrication and installation
 - Cut and cap piles
 - Structural steel Fabrications and installation

OILFIELD CONSTRUCTION & MAINTENANCE
Canadian Natural Resources

- Tank Farm Debottlenecking – Wolf Lake
 - Structural & Mechanical Fabrication and Installation
- Butane Bullet Installation – Wolf Lake
 - Structural & Mechanical Fabrication and Installation
- Steam Separator Installation – Wolf Lake
 - Structural & Mechanical Fabrication and Installation
- Shipping Pump Installation – Wolf Lake
 - Structural & Mechanical Fabrication and Installation
- Water Disposal Pipeline – Wolf Lake
 - Mechanical Fabrication and Installation
- Butane Pump Skid Fabrication and Installation – Wolf Lake
 - Structural & Mechanical Fabrication and Installation
- Various Tie Points and small projects – Wolf Lake
 - Structural & Mechanical Fabrication and Installation
- High Pressure Steam Conversions Phase 1, 2 &3 – Primrose Pads
 - Structural & Mechanical Fabrication and Installation
- Pad Expansion on AC16, BD 5 – Primrose Pads
 - Structural & Mechanical Fabrication and Installation
- Ram pump Installation – Primrose/Wolf Lake pads
 - Structural & Mechanical Fabrication and Installation
- Propane Bullet Installation - Primrose Pads
 - Structural & Mechanical Fabrication and Installation
- VRU Installations – Primrose/Wolf Lake Pads
 - Structural & Mechanical Fabrication and Installation
- Tank Modification – BWL Shop/Lindberg Field
- Wolf Lake 4 Expansion Project – WAC, ORF, LSF, ISF, POL, Slug Catcher connections & Piping Installations
- Various small projects in Bonnyville, Primrose, wolf lake and Lindberg areas
